. The hon. Khan Bahadur Sir MAHOMED USMAN SAHIB Bahadur:— "No, Sir; it is not the intention of the Government. I quite realize it as a very extreme step to stop a conference. It would naturally give an impression to the public that the authorities are siding with one party or another. Government have gone very carefully into this question in the present case, and they think the reasons given by the authorities in this case hold good. I hope there will be no repetition of such a thing again."
